Country of birth:

Previous travel to the United States:

Purpose of previous travel to the United States:

Academic plans for 2018/2019:

Send this application form to stockholmirc@state.gov where you include a copy of your preliminary high school grades, CV, and the answers to the three questions. Please also let us know if you have any disabilities or special dietary needs. Notification of a disability will not negatively impact selection. We ask that you identify disabilities during the application process so that we can begin working with WFU to ensure appropriate accommodations. Please submit your application by Sunday April 8.
